There will be two presentation times for that day. More information will follow.

**International Research Connections** | Presenter Janet Morgan

### Action items

---

How do we connect for the purpose of Research? Do we contact each WGI Member Organization and ask what they need?

Japan: How can we connect with Japan specifically so we can see if Research can be translated/published?

---

40 minutes | Topic |

Discussion: First contact Fumiko and ask *how* we can connect with presenters from the WGI International Conference in Japan. (Janet Morgan)

Where are they publishing their research? Institutions of Higher Ed? The Achievement Corporation? The Ehine Society of Choice Theory Research?

Conclusion: Connecting with each Member Organization is important.
