**CERTIFICATION SELF-EVALUATION FOR PARTICIPANTS**

*In preparation for Certification and during the four-day Certification Session, the following may provide clarification for participants to self-evaluate their ability to demonstrate the knowledge and skills required for competence at this level in order to be designated CTRTC.*

To what degree am I able to demonstrate/present the following knowledge and skill:

1. Explain my understanding of the Choice Theory Chart using a real life situation.
2. Describe my experience as to what was happening in my system through my knowledge of Choice Theory in this process of using a real life situation and explaining it on the Choice Theory chart in front of a group of people.
3. Prepare and present a small portion of my Quality work to the certification group describing how Choice Theory explains behaviour.
4. Demonstrate my ability to successfully interview a client in a role-play setting that is familiar to me. I shall work with a \_\_\_\_\_ client.
5. Demonstrate my ability to successfully interview a client in a role-play setting that is not familiar to me.
6. Although I ordinarily work with a [Specify type of client(s)], I shall work now with an unfamiliar client [Specify the type of client].
7. Demonstrate my ability to use lead management in a role-play to facilitate a situation where I am the leader or supervisor.
8. Answer questions and clarify for others any concept shown on the Choice theory chart when warranted during the Certification Session.
