

The purpose of the Exit Interview is to assist you in developing plans for further learning as well as planning for the transition to the fieldwork required during the time between phases in the faculty development process. Please complete Section 1 on your own and bring both pages with you to your Exit Interview with your instructors. Your instructors will then complete Section 2, sign this form and turn it in with their paperwork at the conclusion of this program. A copy will be sent to you for your records.
